| Length   | 2.50 in / 6.35 cm                |
| Projectile Count   | 1                                |
| Part No.   | 3105                             |
| Warranty   | 5 years from date of manufacture |
| <b>ALL SPECIFICATIONS ARE AVERAGES AND SUBJECT TO CHANGE</b>   |                                  |
| <p>The 12-Gauge TKO Breaching is a translucent 12-gauge shell loaded with a compressed zinc slug. The 12-Gauge TKO Breaching Round utilizes smokeless powder as the propellant.</p> <p>The 12-Gauge TKO Breaching Round is most widely used as a method to breach door locks or hinges for entry by Law Enforcement and Corrections during tactical operations.</p> <p>When properly deployed, the TKO Breaching Round is capable of defeating door lock mechanisms, door knobs, hinges, dead bolts, safety chains, and pad locks on both wooden or hollow core doors. Upon impact with the target, the zinc slug disintegrates into a fine powder eliminating additional fragmentation.</p> <p>Do <b>NOT</b> fire directly through walls or directly at any person. The TKO Breaching Round should not be fired from barrels that are full choke.</p> <p><b>NOTE:</b> This round can be used with the appropriate 12-gauge launching cup, Part no.1370.</p> |                                  |
|    |                                  |
