COOL-IT DECONTAMINATION AID

PRODUCT SPECIFICATIONS	
Active Ingredient	Herbal Extract
Delivery System	Aerosol
Propellant	Nitrogen
Range	12 in
Formulation Weight	MK-3 1.6 oz MK-9 12.3 oz
Part No.	MK-3 3050 MK-9 9050
Warranty	2 years from date of manufacture
ALL SPECIFICATIONS ARE AVERAGES AND SUBJECT TO CHANGE	
<p>Cool-It has a natural herbal ingredient designed to draw the oily resin of OC out of the skin. Cool-It also helps to counter the effects of CS and CN tear gas by breaking down the components of these chemical agents. By applying and blotting Cool-It on the affected areas of the skin, irritation quickly subsides. After using Cool-It, flush with water. Both sizes of Cool-It use an Acc-U-Sol trigger actuation system for optimal delivery. Do not expose to temperatures above 120 F or below 32 F.</p> <p>Additional product information and training is available from Defense Technology.</p>
